PHYSICAL DEMANDS ASSESSMENTS (PDA) PROMOTION

Advantage Ergonomics Canada (AEC) Inc. has conducted over 500 workplace Physical Demands Assessments in various industries since 1996. Our commitment to our clients revolves around a reliable, cost effective, consistent, and professional approach to completing all assessments.

REDUCE WSIB COSTS

These reports are sent with a claim to WSIB to evaluate whether the injury occurred in the workplace.

IMPROVE RETURN TO WORK PROGRAM

Physical Demands Assessments are used during the Return to Work process to match injured workers abilities to the physical demands of a job.
